Could Not Kill Himself.—Despondent because of a quarrel with her "best" Madge Smith, otherwise known, Madge Riley, thought to end her miserable existence, and in the "wee sma' hours" of yesterday morning, took a run and jump off the dock at the end of Seventh st. Cruel fate, however, willed that Madge should see the sun rise again, and with the aid of a jog that was tied to the bow of the Good Ship St. Nicholas together with the help of Nightwatch Sefton and undisciplined woman was saved from a watery grave. Madge's clothing luckily caught on the log and when Watchman Sefton saw a hand protruding from the water, he procured a boat and removed her almost lifeless form to land, where after a few moment's work she was brought back to the sorrows and trials of life. For the present Madge states that she will remain in Astoria as egress into other worlds seems to be denied her.

A Second Theatre.—There was an undeterminable rumon on the streets yesterday afternoon, that Astoria was soon to have a second theatre for the benefit of its amusement lovers, and that the figures of a lease had been set by the owners of a certain building but the deal had not been closed. Just when the matter will come to a head or whether it will be concluded affirmatively could only be conjectured.

County School Items.—County School Superintendent Miss Emma Warren, reports the school of Clatsop in fine and flourishing condition everywhere and the best of progress being made by the pupils. The teachers' institute which will be held in this city on the 25th, 26th and 27th of the present month will be a very interesting affair. On Wednesday evening of the session, the gathered teachers will be the guests of Mrs. Gearhart at a reception expressly in their honor and on Thursday afternoon they will be the favored guests of the Clatsop County Medical Association which meets here. The instructors in charge of the institute will be State Superintendent J. H. Ackerman; Superintendent R. F. Robinson, of Multnomah County; Mrs. E. K. With the Bankrupts.—Judge Charles H. Page referee in bankruptcy has published notice of the formal meeting of the creditors of the bankrupt firm of A. Jaloff & Company, of this city. There are thirty-five of these, with sworn claims aggregating the sum of \$2,977.61 the assets of the firm amounting to \$1685. The meeting will take place at the office of the referee at 10 o'clock on the morning of April 23, 1906. In the matter of the Warrenton Lumber Company, bankrupt, Judge Page did not declare a dividend yesterday, as there are two of the claims yet in dispute, to wit: that of the Astoria National Bank in the sum of \$1,856.41, and that of R. G. Dun & Company in the sum of \$150. It is probable, however these will be adjudicated sometime today, in which event the referee will declare a dividend of twenty per cent on the claims allowed to meet which there is money on hand.

GENTLEMEN, ATTENTION!

Astoria should have a seavall, and as it cannot be bought in Portland or Chicago it evidently must be built here. Now, if the gentlemen of this city would commence to have their clothes "built" in Astoria and become reconciled to having things made at home, they would have no difficulty in building the seavall. E. Martinson, merchant tailor, 149 Eleventh street, will build your clothes from the best that's made to the cheapest that's good. 1w.
